SUMMARY

Computer Engineering student at MITAOE with hands-on experience in C, C++, and Java. Comfortable working in Linux and Git, and developing clear, well-structured code. Building strong fundamentals in Data Structures, Algorithms, and Operating Systems. Enjoy solving problems, learning fast, and collaborating on projects.

TECHNICAL SKILLS

Programming: C, C++, Java
Core Concepts: Data Structures and Algorithms, Operating Systems
Tools: Linux, GitHub, VS Code
Web Technologies: HTML, CSS
Soft Skills: Problem-solving, communication, teamwork, adaptability

MINI PROJECT

PORTFOLIO WEBSITE | HTML, CSS

- Built a personal portfolio with sections for skills, projects, and contact details
- Added responsive styling for better mobile experience
- Hosted the website using GitHub Pages

EDUCATION

MIT ACADEMY OF ENGG <i>Bachelor of Technology (B.Tech) in Computer Engineering</i>	<i>Pune, Maharashtra</i> <i>September 2029</i>
ST.PAUL JUNIOR COLLEGE <i>HSC - State</i>	<i>Nagpur, Maharashtra</i> <i>May 2025</i>
ST.PAUL SCHOOL <i>SSC - CBSE</i>	<i>Nagpur, Maharashtra</i> <i>May 2023</i>

CERTIFICATIONS

- MKCL C Programming Certification

ACHIEVEMENTS

- Participated in Google Study Jams (Android & Programming Basics)
- Solve coding problems on LeetCode and HackerRank

CODING PROFILES

Hackerrank - [rajeshree](#) Codechef - [rajeshree-kalmegh](#) Leetcode - [rajeshree](#)

HOBBIES

Drawing Reading
